BIO: I was born in Canton, IL and recently graduated from Illinois State University with a B.S. degree in Television. Yeah...I found out that radio has more BS compared to TV, so here I am! I used to work at one of River Country's sister stations in Bloomington, IL, but now I'm the new guy again. I LOVE PEORIA! You guys are great!

FAVORITE COUNTRY MUSIC: I like anything country, but especially the new stuff. Rascal Flatts is probably my favorite group of all, but I love listening to Big & Rich, Brian McComas, Emerson Drive and others.

HOBBIES: Well, music is a major part of my job and a big part of everything I do outside of work too. I DJ weddings and dances alot on the weekends and love line dancing! (You might catch me out dancing on Friday nights)

FAVORITE TV SHOWS: I am in love with ALIAS on ABC. (not just because Jennifer Garner is in it) It's so intense! I watch it faithfully!

FAVORITE FOOD: Anything from Italy! Well, anything americanized from Italy. Mmmm...Amen to Pasta! (It's so easy to cook)

WORDS OF WISDOM: Wisdom! Right...I went to college to learn some words of wisdom, and left with nothing but a hole in my check book.
