[Suppliers in the category of "Outdoor Fun"](#)**New Products: Outdoor Fun**By [TDmonthly Staff](#)

The following product descriptions were mainly supplied by manufacturers except where TDmonthly staff members are noted. (The date displayed at the end of each product description is the date the description was last modified.)

The Walk-O-Long by CADDYO PRODUCTS

The Walk-O-Long is uniquely designed to help minimize adult back strain while walking with their child. The primary security strap is made of super-strong flat nylon webbing. The one-piece security strap is threaded through each Walk-O-Long, and then looped at each end. The ends are multi-stitched and formed into strong, comfortable handles designed to fit every adult grip. Simply wrap the Walk-O-Long around a child's chest, and under the arms, then adjust it to the perfect fit then secure the single-latch safety buckle in back. 11/3/2005 (Price: \$24.95; Age: 4 to 5)

**RX Fire Lite Up Football by POOF-SLINKY, INC.**

Kids don't need stadium lights to play at night anymore. This football uses LED lights for easy tracking in the dark.

— Doug Ferner, executive vice-president at Poof-Slinky, summed up this product's success by explaining that "the whole glow-in-the-dark thing has caught fire at the retail level." Ferner also estimates that with new

lighting technology becoming less expensive, products like the RX Fire Lite Up Football will be more available to consumers.

— The Fire Lite Up Football is in Amazon.com's top five bestselling footballs.

— It comes in an assortment of colors and weighs a shade under half a pound. 9/30/2005 (Price: \$9.99; Age: 5 and up)

Twist Trike by RADIO FLYER

Radio Flyer has reinvented the classic tricycle with the Twist Trike™. An industry-first, this two-in-one creation easily adjusts from a "trike" to a chopper in seconds, making it suitable for children as young as age 2 and as experienced as age 7. It's really two trikes in one! The Twist Trike is designed after the look of a high-end sports car. The patented quick release mechanism, front wheel tread grip and adjustable seat adds functionality to the sporty design. The Twist Trike is

available in three color schemes, including the classic red, blue and yellow; red and silver; and pink and purple. 9/23/2005 (Price: \$60.00; Age: 2 to 7) [\[Add to my Inquiry Basket\]](#)

**Street Gliders by HY-PRO INTERNATIONAL LTD.**

This authentic U.K.-made product is a 2-wheeled light-up skate that straps onto the back of shoes and sneakers with an adjustable strap. To go, kids or adults lift the balls of the feet and balance on the wheels. To stop, the wearer puts down the balls of his or her feet. They're lightweight and much easier to carry around than in-line skates. The motion of the wheels makes the skates light up. Protective gear is recommended.

Parents Magazine Hog Wild by BATTAT INC.

SCRAMBLE SQUARES

Easy To Play. But Hard To Solve.™

For Ages 4 To 104

Adults and seniors love award-winning Scramble Squares® puzzles at least as much as do children, teenagers and college students. Although each Scramble Squares® puzzle has only nine pieces, Scramble Squares® puzzles are perhaps the World's Most Challenging Puzzle! They make inexpensive, but highly valued gifts for both men and women alike for Mother's Day, Father's Day, Graduation, Travel, Birthdays and Holidays.

producers of gifts, games and fun

The Hog Wild is a four-wheel scooter for children who aren't quite yet ready for tricycles, but still desire the thrill of the open road. A set of handlebars allows the child to actually steer while powering the peddle-less vehicle by foot, and a gas guage made up of beads lets the driver know how much fuel is left. Skid-free rubber rim wheels make indoor use possible, but the strong wooden frame makes the Hog Wild perfect for outdoor adventure as well. Back Buddie Lotion Applicator by Chix Sportswear

The Back Buddie Lotion Applicator lends a helping hand when applying lotions - such as sun block, sun tan accelerators, self tanners, soothing creams, medical creams, insect repellents - to all those hard-to-reach areas of the body. The Back Buddie is designed in the shape of a large, fun cartoon hand. The applicator pad where lotion is applied is made from a soft, non-absorbant material. 6/17/2005 (Age: All Ages) [[Add to my Inquiry Basket](#)]

Wave Rope by HOLSAINT TOY INDUSTRIES, LTD.

"Walk the Dog" and go "Round the World" with this motorized rope swinger that lets kids turn lassos into fun shapes. The toy helps build dexterity and precision. Like yo-yos and other string toys, the possibilities are limited only by the kid's imagination. 5/26/2005 [[Add to my Inquiry Basket](#)]

Water Dancers by SWIMWAYS CORP

Turn pool time into imagination time with these lovely battery-powered dolls that spin on the surface of the water. Water Dancers come in three styles, each with a seashell comb and a magic wand. Also available are Mystical Mermaids, which swim with a hinged fin and come with a seahorse friend. They are reasonably priced at between \$12.99 and \$19.99. 5/24/2005 [\[Add to my Inquiry Basket\]](#)

Crazy Chalk by WOW! INC.

This product allows kids to trace out a baseball diamond like the Major Leaguers or design race tracks for radio-controlled cars. With Crazy Chalk kids just pour the chalk powder into the Powder Container, snap the lip and push the roller to make perfect lines every time. Crazy Chalk can also be used in various Sidewalk Stampers to make stars and circles, smiley faces, flowers, and letters and numbers. 5/24/2005 [\[Add to my Inquiry Basket\]](#)

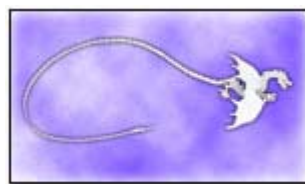

**Rocker n Bench by PLAYSKOOL**

Because kids can sometimes be indecisive when it comes to enjoying time outdoors, the Playskool Rocker n Bench is a picnic table that converts into a rocker. The four seat picnic table/bench set can be flipped upside down to become a four seat seesaw-like toy so that kids can conveniently burn off their lunch calories and work up an appetite for dinner. The UV protected plastic contraption is 44" wide by 27" deep and 22"

tall. 4/25/2005

Mystical Flying Dragon by CAPTAIN SMILEY TOYS

This combination streamer, kite and puppet, which takes the form of a dragon's silhouette, is inspired by airplane gliders that ride the wind. The Flying Dragon is a kite with an invisible string; its wings and long, billowy tail help it to ride air currents to the max and perform flips and tails. The toy can be flown inside and outside, and fosters imagination and hand-eye coordination. 3/30/2005 [\[Add to my Inquiry Basket\]](#)

**Texas Star Trampoline by TEXAS TRAMPOLINES**

The Texas Star offers 98 square feet of mat space for jumping.

- According to trampolinetime.com, the product is one of the most popular rectangular trampolines available, and the model most preferred by gyms.
- The outside frame is constructed of durable galvanized steel, while frame pads are covered in weather resistant vinyl.
- The product is a top seller on trampolinetime.com.

Tek Tag by **WILD PLANET**

Tek Tag is a technology-enhanced game that encourages today's computer-minded kids to engage in active physical play. Tek Tag is played using touch-sensitive sensors that intensify the game with sound effects, warning sirens and a digital display depicting the remaining time or lives left, depending

on game mode. Each player wears a sensor pod on his arm and aims to score by touching his opponent's pod while defending his own sensor. Tek Tag builds on the classic concept of tag and integrates technology that appeals to children and adults. The digital display and sound effects on Tek Tag virtually omit playground squabbles over who got tagged, making play time fun again. Tek Tag brings exercise, agility, balance and healthy physical competition back to the playground. It won an iParenting Media Awards 2005 Excellent Products. 2/15/2005 (Age: 6 and up) [\[Add to my Inquiry Basket\]](#)

HoverSphere by **OVERBREAK LLC**

The HoverSphere is the newest member of the Hover family and is an eye-catching round inflatable sphere that is wildly hypnotic and more fun to play with than a standard beach ball. The Mylar sphere measures over 20 inches in diameter and, like all the other Hover products, it can hover, float and spin in gravity-defying motion. Whether filled with air or helium, kids can create and play cool games with the HoverSphere. The HoverSphere line will include several designs including Star Wars: Episode III Revenge of the Sith. 12/29/2004 [\[Add to my Inquiry Basket\]](#)

Squiggly Dudes(TM) by **WILLIAM MARK CORP**

It's a bird - it's a plane - it's Squiggly Dude (TM)! Playing catch will never be the same with these fun and laughable flying toys. Each flyer has a head with a colorful, curly tail shaped like a corkscrew, creating a really cool, spin-patterned flight. Grab it by the tail, toss it, and try to predict its zany flight path.

There are six individual "Dudes" with different personalities and names: Dudley, Ned, Snitch, Dizzy, Hooligan and Fizzle. - Aire Norell 12/28/2004 [\[Add to my Inquiry Basket\]](#)
