The Walk-O-Long

Back Saver, Kid Controller

The Walk-O-Long is Uniquely Designed to minimize adult back strain while walking with your child. The Walk-O-Long has proven itself invaluable as a physical therapy and "special-needs" tool. Whether teaching your a child to walk, or going for a stroll with an independent walker, the Walk-O-Long helps kids build confidence, balance, and coordination.

It's easy to use! Wrap around a childs chest and under their arms for a snug fit.

Professional-Grade Safety: The one-piece security strap is threaded through each

Walk-O-Long, and then looped at each end. The ends are multi-stitched and formed into strong, comfortable handles designed to fit every adult grip.

Who needs the Walk-O-Long? The Walk-O-Long can help anyone that wants to give their child the edge in developing balance, confidence, and coordination. Parents can now minimize the "Bumps, bruises, and tears" usually associated with teaching kids to roller-skate, ice-skate, or even ride a bike.

Abilitations Noodle Pit

Create Your Own Sea

Noodle Pit came our way from a parent of a child with special needs. Each Noodle Pit Kit includes a pit filled with 500 multisensory balls and 96 soft cylindrical pieces of closed-cell foam that measure 3" x 2" (7.6cm x 5.1cm). The result is a sea of balls and foam that provide a unique tactile experience unlike any other pit. Kids love the feel of the different textures within the pit. Pit measures: 21"H (51cm) x 46" diameter (115cm).

NOODLE PIT KIT. Includes 250 blue Ball Pit balls, 250 green Ball Pit Balls, 96 purple Chopped Noodles (2 sets) and one sea blue Inflatable Pit.

	1-07984-894	269.99 ea.
250 BLUE BALL PIT BALLS.	1-62550-894	71.29 pk.
250 GREEN BALL PIT BALLS.	1-62570-894	71.29 pk.
